

How to Give to the Church Online

1. Go to the church's website www.firstumcrochester.org
2. Click on Online Donation on the left and the link that appears. See below

The screenshot shows the website header with the church name and a navigation menu on the left. The 'Online Donations' link in the menu is circled in red. The main content area is titled 'Online Donations' and contains the following text:

Click the link below and you will be redirected to a secure site:
www.eservicepayments.com/cgi-bin/Vanco_ver3.vps  [Click the Link](#)

From this page you will be able to give to the General and/or Building fund with a click of a button. This site is secure and confidential. For your convenience you can create a profile using your email address and password, enter in your information and your electronic giving transactions will be saved and available for your records. If you are currently giving electronically and had provided an email address on your pledge form, all you need to do is create a password and your giving amounts and history is at your finger tips.

If you don't want to set up a profile and only want to give one time, (because you forgot to turn in your envelope this week and don't want to write 2 checks next week because you will be away), then go to the church's website, click on online donations and enter the amount you wish to donate and the church will receive and record your donation! It's that simple!!

We hope that you will utilize this new way of giving. It's safe, secure, easy, confidential and it saves paper! If you have any questions, please contact Kate Marcotte at [603-817-4656](tel:603-817-4656) or simplek79@yahoo.com
